

# Lift2K™ Scissor Lift Tables

*The Bishamon-built Lift2K™ is the best value 2000 lbs capacity lift table on the market. The Lift2K™ has maximum lifting heights of 39.25 in. with platform sizes of 28 x 48 and 36 x 48 in. No matter how you compare it, Bishamon's Lift 2K™ lifts more for less.*

*Manufactured from the ground up, it is designed to increase productivity and reduce worker strain. By lifting and accurately positioning the load, the Lift2K™ eliminates unproductive lifting and stretching that ultimately leads to worker fatigue, injuries, and product damage. Available in two platform sizes, the Lift2K™ offers options for bellows and portability, and meets all ANSI standards for lift tables.*

### Standard Features

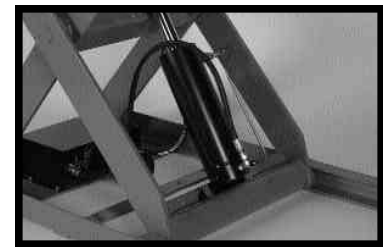

- Unparalleled price for a 2000 lbs. capacity lift
- In stock
- Powder coated finish
- Quick ship program
- Optional bellows and portability available
- Complies with ANSI standards for lift tables.
- Captured rollers
